

▼ Can I post a business listing ?

Yes! **It's free!**

You're welcome to [+ Post a Service](#) as a local service provider.

You can also [+ Post a Specific Item](#) from your inventory.

You can always add **★ Premium Features** later to help your listings get the extra attention.

▼ Is it free to post a job listing ?

Yes. **Job listings are free**.

You can add **★ Premium Features** to your job listings to help them get the extra coverage.

▼ How can I help make my listings stand out ?

There are a few things you can do to help your listings get the attention they deserve.

- @ Be specific.** Provide as many details as possible, including pictures.
- 🔄 Repost your listings.** We'll bump them up and let others know they're still active.
- ★ Try Premium.** Get up to 10x more views, reach out to 10x more visitors.

▼ Can I post my listings in multiple locations ?

We kindly ask you to post listings in the area where the item, service, job position or the property is **physically located**, so that others could find your ad based on **their location preferences**.

Many of our visitors are searching within a wide radius or even nationwide. They **will** see your listing if it's **within their preferred area** and if they're **willing to travel**.

▼ Can I use links in my listings ?

Yes!

We currently limit this feature to **★ Premium Business Listings** to prevent spam.

▼ Is there something I cannot post here ?

We don't accept **spam**, **fake listings**, **vulgar content** and **multi-level marketing**.

Check our [🔗 Prohibited Content Policy](#) and [📄 Terms & Conditions](#) for the full list of restrictions.

▼ My listing was rejected. What should I do ?

It happens to the best of us 😊

No worries! The good news is that **rejections are temporary** and are **easy to fix**.

Every time our system suspects a violation of [Prohibited Content Policy](#), the listing is pulled aside for an inspection. You will receive a **"Your Listing Was Rejected"** email from us with some details about the violation and a link to [Submit an Appeal](#).

It usually takes a few minutes for the listing to be reinstated after an appeal is submitted and reviewed.
